

DIG INTO READING

Albany County Public Library
LARAMIE • CENTENNIAL • ROCK RIVER

Guidelines

25 Books • 25 Hours • 25 Days*
(Choose one as your goal)

You can start reading towards your goal on June 11.

Set your goal, then read or listen to any reading materials that interest you - items from the library or your own books.

Cross out the numbers as you read towards your goal.
*If your goal is to read for 25 days, you should read at least 30 minutes per day.

For each five (books, hours, days) you complete, you'll win a prize.

When you finish your 25, you'll win a completion prize. The first day to pick up prizes is June 18. Dig In To Reading ends August 16; no prizes will be given out after this date.

Read for a Good Cause

Finished your first 25?

Keep reading and help support your library!

For each extra reading log you complete, \$5 will be donated to a library cause, thanks to the ACPL Foundation.

Support Stories @ the Parks, our all-ages Lego programs, or help to build an outdoor and travel book collection.
